

# VETS CARING FOR VETS

*your buddies need you now*

We need recruits to help fellow veterans who are receiving end-of-life care from SVNA Hospice.

Veterans particularly benefit from having other vets to talk with. We provide the training, you provide companionship and emotional support for patients and their caregivers.

Training will be offered in both day and evening sessions to accommodate vet volunteers' schedules. Call Eileen Rydel, R.N., M.S., SVNA Hospice coordinator at 860-435-0816.

**SVNA Hospice**

Salisbury Visiting Nurse Association  
30A Salmon Kill Road  
Salisbury, CT 06068
